Sir/Madam,

I congratulate Dadhichi Deh Dan Samiti for its noble initiative aimed at spreading awareness about organ donation. They are doing an exemplary work for the society. DDDS with the support of NSS, NCC, WUS-DUC, Medical Committee and Department of Commerce organised an Organ Donation Awareness event on 29th January, 2025 in Shyama Prasad Mukherji College.

The college is grateful to Mrs Manju Prabha, Vice-President and Founder Member, DDDS who graced the event as the Chief Guest and inspired the audience with her heart touching address. Mrs. Poonam Malhotra, Convener, West Zone, DDDS who is also our alumni, enlightened the audience with an informative presentation about the process and benefits of organ donation.

The event was marked by Rangoli-making and Poster-making competition, interactive quiz, a soulful rendition of Saraswati Vandana by the college music students, interactive quiz on organ donation, heart-touching song on organ donation followed by felicitation of winners of the competitions.

The programme was attended by more than 200 students, who left the venue with a deeper understanding about the need and process of organ donation. The Selfie Point “**I am an Organ Donor**” created by the artistry society was highly appreciated and many students clicked photographs with the guests, reinforcing their support for the cause of organ donation.

Warm regards,

Principal (Officiating)
